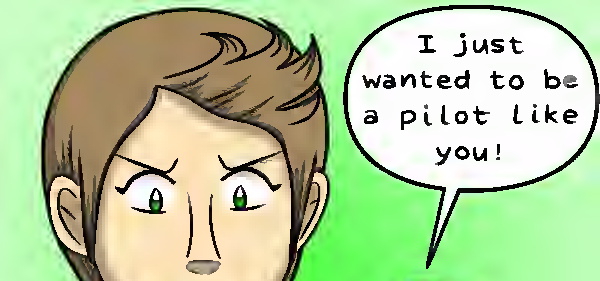
Tilly, sweetie! What´s wrong?
It´s just... I´ll never be able to fly.

"You're a sugar glider", they said. "Not a sugar flier!"
And then they laughed in my face!
It was awful!

Is that why they rejected your flight school application?
Well... no.
It was because I'm colorblind... And only five inches tall.



Well if they won't accept you, then I'll teach you myself!

You mean it?!
Suit up, kiddo! Training starts immediately!
Yay!!
